Åke Nygren: "Continuity and Progress – The Role of
Libraries in an ever changing World"

*Project Manager for development of physical learning
environments within the municipal Library of
Stockholm. Åke Nygren is interested in how public
Libraries can become proactive on the Social Web, how
they can provide virtual learning environments for
e-learning and at the same time strengthen their role
as a physical, multicultural and multilingual meeting
place in the local community.*

15.45-15.15

Coffee break

15.15-16.45

Per Frankelius: "The future Alexandria - Libraries as
generators for Community development"

*Per Frankelius will also dwell on the subject of Libraries
and librarians significance for information retrieval and
their holistic approach to knowledge and learning.*

*Per Frankelius is Associate Professor at Swedish
Business School, Örebro University. He is on the
board of the Swedish Entrepreneurship Forum, a
Fellow of the Linnean Society of London and a
member of the Royal Economic Society.*

*His current research focuses on innovation in the arts as
well as public sector innovation.*
